2026-27 Predator Program

RULES

1. Sign-Up and get your 'Proof of Membership' at any one of the 3 participating stores identified below.
2. You must be a current WyO Member to participate in the 2026-2027 Predator Program. Not a Member? Please download a Sign-Up form from our website, or they are available at one of the stores below. Submit either an online Membership Enrollment form, or complete the Sign-Up form at one of the 3 stores.
3. Predator Bounty season: Nov 1, 2026 through March 1, 2027 ... or until all funds have been paid out.
4. All predators must be taken within these four counties: Park, Big Horn, Washakie, and Hot Springs.
5. Only five (5) predators per person in any one week will be accepted for bounty. Remember, this is a program and experience for many hunters – not just a few.
6. Only fresh coyotes, foxes or raccoons will be allowed – no freezing and compiling.
7. All predators must be whole and unskinned for presentation.
8. Note: For the participating Stores, your Membership is the confirmation of Predator Program eligibility. Store clerks will clip a designated claw to preserve the predator for skinning, selling, or tanning hides.
9. Store clerks are taking predator bounty claims voluntarily and deserve your respect and patience when they are busy with their other customers.
10. Respect private property and owners when taking predators. Be sure to get permission when hunting on private property.
11. Please dispose of the predator properly.

Predator Payout Values
